Dear Beth:

I have a few changes to the fact sheet. A mark-up is attached. The changes are—

Page 1:

-Eliminate the extra space between the words "the radon"

-In the blue sidebar:

-Italicize Notice of Proposed Rulemaking(NPRM), Federal Register, Code of Federal Regulations (CFR)

Under "How You Can Participate"-

-Delete the word Advanced

-Italicize Notice of Proposed Rulemaking

Change "(ANPR)" to "(NPRM)"

Page 2:

Change Record-keeping to Recordkeeping

Also, revise the metadata as follows_

Title:	<i>Contractor will use the document title provided in the text.</i>
Author:	US EPA, OAR, ORIA, Radiation Protection Division
Subject:	National Emission Standards, NESHAP, Proposed Rulemaking
Keywords:	Supbart W, radiation protection standards, uranium, mill tailings

This Email message contained an attachment named
image001.jpg
which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
